## SUMMARY

I have designed and developed a fully responsive website using HTML and CSS, focusing on a clean layout and user-friendly navigation. The website includes sections like home, services, contact form, and about us, styled with modern UI elements. I implemented media queries to ensure it works smoothly across all screen sizes. The site also features smooth scrolling, hover effects, and a visually appealing layout. This project helped me strengthen my front-end fundamentals, and attention to design detail.

---

## EXPERIENCE

### Software Developer Intern

Digimaveric Technologies

March 2025 - June 2025, Bangalore, India

- Designed intuitive signup and login pages using Material-UI (MUI) and Framer Motion for seamless animations.
- Developed responsive user interfaces with React, enhancing functionality for healthcare platforms like Click Health Pro.
- Implemented features such as appointment scheduling, WhatsApp integration, and hover tooltips to improve user interaction.
- Integrated real-time UI components to create dynamic user experiences on healthcare applications.
- Focused on delivering clean and scalable front-end solutions that prioritize user-friendliness.
- Tested and debugged complex frontend workflows, collaborating closely with QA specialists to identify and resolve issues across multiple healthcare application modules.

### Software Developer Intern

AFFL. MARKETING PVT. LTD

July 2024 - September 2024, Delhi, India

- Executed design and development of responsive website using HTML and CSS to optimize user interaction.
- Constructed a structured layout featuring sections like home, services, contact form, and about us..
- Integrated design elements such as smooth scrolling and hover effects to boost engagement.
- Enhanced design precision by emphasizing modern UI components throughout the project.
- Engineered interactive site features leveraging JavaScript and DOM manipulation to enrich user engagement and drive measurable increases in visitor retention.

23-July-2025

**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that **Mr. Gaurav Aggarwal** was employed with **Digimaveric Technologies** as a **Software Developer Intern** from **04-March-2025** to **14-July-2025..**

During his internship tenure, Mr. Gaurav Aggarwal actively contributed to the **UI enhancements of our in-house product**, where he demonstrated strong front-end development skills, attention to detail, and a good understanding of user experience principles. He showed a willingness to learn and effectively collaborated with team members to deliver quality improvements within project timelines.

His performance was satisfactory, and he displayed a professional attitude throughout the engagement. We found him to be a motivated and dependable individual, and we believe he will add value wherever he works.

We wish him all the best in his future endeavors.

Sincerely,  
Akanksha Kumari  
Co-Founder & Delivery Head  
Digimaveric Technologies
